

Managing Health Care Costs

The fifth annual web summit on emerging trends, issues and solutions in dealing with health care cost increases. November 13th through 17th, 2006. This year's web summit package includes:

- thirty six on-line presentations
- three live audioconferences
- seven podcasts
- video clips, and much more all for an affordable price.

The latest trends, strategies, case studies and data on premium increases, consumer cost sharing, prescription costs and benefits, disease management, pay for performance, consumer driven initiatives and more.

Individual Registration Fee: \$495 Web Summit CD-ROM: \$20 for attendees; \$515 for non-attendees after the event. The CD-ROM will include all on-line presentations, podcasts, audioconference recordings, video clips, and e-poll results.
